When, in the sole judgment of the Administration or the Board of Education, in consultation with the school and the participating students and patrons, travel is suspended due to safety or other consideration beyond the control of any or all involved, Provo City School District, the Board of Education, school employees and agents shall have no obligation and shall not be responsible for refunding such funds. Participants should not expect refunds for cancellations either individually or as a group.

Number of Chaperones paid by Participants

District Policy requires a minimum of 2 chaperones, age 21 or older, with a ratio of 1 chaperone for each 10 students traveling. Additional chaperones may be added at the principal/director's discretion. All costs associated with the chaperones' travel will be paid by the participating students. Each chaperone will be subject to passing a background check as is standard with all volunteers within the school system.

Parent Certification

I have received and have carefully reviewed the proposed travel itinerary, anticipated expenditures per student and fund raising efforts for the student overnight travel trip described above. I understand that board policy requires that all expenses (including travel expenses for required chaperones) associated with the trip must be paid by the participants themselves, covered by fund raising, or financed by vocational or other state or federal monies provided expressly for the activity. The financial responsibility for the cost of the trip does not rest with the school, the district or the community. I also understand the potential for non-refunds or expenditures when trips are cancelled.

The parent and student further understand that the costs of field trips are minimized by arranging for students to share lodging rooms and beds with other students of the same gender. By affixing their signatures below, parent and student give the District consent to make such arrangements for the above-described activity. Parents with concerns about such arrangements should speak to the trip sponsor and the principal.

- I am supportive of the proposal and give permission for the below named student to participate in the trip. I also understand that my student is responsible to pay all costs before departure, and have read and am aware of the district "no refund" policy.
- I am supportive of the proposal but my student will be unable to participate.
- I am not supportive of the proposal and do not give permission for my child to attend.
