Planning our Visible Learning journey

Our baseline evidence statements:

Focus areas

These are the areas that we have decided to focus our efforts on:

Aspiration

This is our aspiration for Visible Learning in our school:

Targets and monitoring our progress

Targets	What will we do to know whether we are on track as we go?	How will we know we have achieved our target at the end of the specified time period?

What activities will achieve this?

Guiding coalition

This group will have oversight of this work and guide the delivery team:

Delivery team

This group is responsible for ensuring the delivery of the plan:

How will we get there?

What knowledge do these groups need?

Students	Teachers	Leaders	Families/Communities

What practices need to become routine?
