eSchool Community Council Meeting Minutes
April 13, 2017

1. Welcome and Attendance
    a. Present: Maren, Debra, Brad, Megan, Rhonda, Royce, Whitney, Kendra. Everyone is here!
2. March 30th Minutes
    a. Approved unanimously.
3. Wrap-up school improvement plan
    a. Document cameras. We can add it to one of the existing goals—we'll put it in Goal 2.
4. Reviewing
    a. Goal 6: Clarify goal to say, Establish a baseline for student interest and participation in STEM.
    b. Goal 5: Clarify action step to indicate development of literacies, not just language arts.
        i. Added money for teacher salary.
    c. Goal 4: Looks good.
        i. Is there a student government? No. We tried that a few years ago, and students weren't interested. That may change as eSchool only does local high schoolers.
        ii. We had all eSchool teachers at the last conference, and one Harmony teacher that joined in for the latest district profession development day.
    d. Goal 3: Removing number of special education aides to just say 'aides.'
    e. Goal 2: Added action step to purchase document cameras for teachers.
        i. Professional development on more effectively using document camera and recording lessons to be shared widely with students.
        ii. We'll add the development of technical skills to Goal 4 as well.
    f. Can we spend Trustland funds money in the summer?
        i. Parents often want their students to be involved in academic activities over the summer.
    g. Goal 1: Looks good.
        i. Make sure that when we renew iReady, students don't lose all their data. We have kept better track of students this year, so we shouldn't have a problem.
5. What about virtual libraries or online tutoring?
    a. That's something we can look into next year.
    b. We need to communicate to parents about free Internet filtering capabilities.
6. School improvement Plan vote
    a. In favor: 8
    b. Opposed: 0
