

eSchool Community Council Minutes
December 16, 2015

1. Present: Kyle, Whitney, Brad, Megan, Traci, Brooklynn
 - a. Absent: Martell, Christel
2. School improvement plan
 - a. Megan presents goals in improvement plan
 - b. Discussion on assessment.
 - i. Give parents options—use assessment we give them OR let them report student level on their own. –Can we do that?
 - ii. State, accreditation needs numbers to show student achievement. E.g. what percentage of 3rd graders are on grade level for 3rd grade reading?
 - iii. State needs aggregate data, not personal. Let parents know it's recorded by grade level
 - c. Our goals are only focusing on a few students (those who took DIBELS), not everyone
 - i. We want to focus on larger group of students, but they all opt out of testing, so we don't know where they are to even start.
 - ii. Add goal to increase assessment participation (not necessarily SAGE) just some assessment for parents to use so we as a school know how to help. Won't require funds, but the options of assessments will require funds
 - iii. PD Goal—bring in online school gurus and invite staff of all 3 groups and parents to learn and ask questions
 - iv. Not this year, but in future we'll look into buying laptops for students who
 - d. Online programs
 - i. iReady, MobyMax and Lexia (just language arts) are options
 - ii. iReady concerns—may put students above grade level.
 - iii. Lexia and MobyMax offer pre-assessments. Readjusts curriculum for students
 - iv. New suggestion—IXL.
 1. Students have access to all grade levels.
 2. Very specific activities for skills
 - e. Approved school improvement plan
 - i. Money to go to trying several online development/assessment programs
 - f. Next meeting Wed Jan 20th at 4 pm
