NOTICE TO VENDORS

Provo City School District Technology Department seeks a Request for Proposal (RFP) for technology equipment for the following project(s): Provost Elementary School Rebuild, and Edgemont Elementary School Rebuild. Please provide unit price proposal for the product proposed. The district will enter into a 1 year contract with the proposed vendor renewable up to 3 years from the date of contract. The district is looking for unit pricing as to allow them the ability to purchase the necessary amounts for the two projects mentioned above or other projects district-wide.

For questions regarding this project, please contact:

Jim Parkin
Technology Integration
Email: jamesp@provo.edu
Phone: 801-735-1216

Contact with any other district employee or school board member regarding this project during the tentative timeline period will be grounds for disqualification.

Sealed Proposals must be submitted to Provo School District 280 W 940 No Provo Utah, 84604 by 3:00 PM, MST, on Thursday, June 22, 2017
Attn: Tina Fluehe (Purchasing Director)

Provo City School District Technology & Purchasing Department reserves the right to reject any or all proposals, or to waive any formality or technicality in any proposal in the best interest of the Provo City School District. Provo City School District also reserves the right to determine equivalency. Additionally the District reserves the right to rely upon Utah State Procurement code and the State bidding processes.

The proposal will be analyzed by the Provo City School District Technology committee along with the Purchasing Director.

Bids will be scored based on the following criteria:

1. Cost of eligible goods and service: 35%
2. Compatibility with existing infrastructure: 25%
3. Responsiveness to all the other terms and conditions of the RFP: 15%
4. References 15%
5. Local or in-state vendor: 10%

Award shall be made to the respondent deemed most capable of providing the complete system and support deemed to most effectively meet Provo City School District needs, taking into account the proposals and evaluation factors here outlined.

Tentative Timeline (Subject to modification)

RFP Advertised: June 13, 2017

Deadline for Questions: June 19, 2017

RFP Response Deadline: June 22, 2017

Proposal Evaluation June 26, 2017

Award Date: June 28, 2017

Proposal Requirements

The Provo City School District desires that responding contractors produce a proposal that is no more than 10 pages. The proposal shall include how the proposed product is compatible with existing infrastructure and any other contractor related items that may be pertinent. The proposal shall list unit pricing for each of the systems below allow the district to create a bill of materials for projects necessary. The proposal shall also include a unit labor price as well.
