

Provo City School District
Policy Series 3000: Students

3142 F1

Sworn Affidavit of Assurances

Agency or program has complied with the following:

- A household study, including a background check of all adult residents in each household where an exchange student is to reside;
A background study assures that the exchange student will receive proper care and supervision in a safe environment;
Host parents have received training appropriate to their positions, including information about enhanced criminal penalties under Utah Code Subsection 76-5-406(10) for persons who are in a position of special trust;
A representative of the exchange student agency shall visit each student's place of residence at least monthly during the student's stay in Utah;
The agency shall cooperate with school and other public authorities to ensure that no exchange student becomes an unreasonable burden upon the district or other public agencies;
Each exchange student will be given in the exchange student's native language names and telephone numbers of agency representatives and others who could be called at any time if a serious problem occurs, and;
Alternative placements are readily available so that no student is required to remain in a household if conditions appear to exist, which unreasonably endanger the student's welfare.

I have read Provo's Foreign Exchange Student (J-1) Admissions Policy.
