**Policy Series 4000: Curriculum, Instruction, Assessment**

**Policy No. 4350**

### **Art Collection**

The purpose of the art collection in Provo schools is to educate youth and build character. Original works of art by noted artists inspire students to a greater appreciation of and interest in the creative process.

The art referred to in this document are original works of art only; prints, copies, lithographs, etc., are not governed by this policy.

The Provo City Board of Education recognizes the work of the Provo City School District Art Committee, whose mission is to present, preserve, protect and procure art for the purpose of education.

The Board directs the superintendent to develop procedures for managing the district's permanent art collection.
