

Dear Parents,

The Provo City School District Center for Accelerated Studies (CAS) is an accelerated program for students in 4th, 5th and 6th grades who desire a fast-paced and challenging classroom. CAS offers accelerated programs for 4th, 5th, and 6th grades at two magnet sites: Provo Peaks (Timpview boundaries) and Sunset View (Provo High boundaries).

To be considered for placement in the CAS program, students were invited to take a Cognitive Abilities Test (CogAT) earlier this year. If your child was unable to take part in the CogAT assessment, makeup sessions have been scheduled and will take place at Wasatch Elementary, 1080 North 900 East Provo, Utah 84604, on the dates indicated below. If you would like to have your child considered for the CAS program, you may register them for one of the makeup sessions here:

Session 1: ([Link to register](#)) May 17<sup>th</sup> at 2:30

Session 2: ([Link to register](#)) July 23<sup>rd</sup> at 1:00

Links to register are also available on the Provo City School District website at:
