

ELEMENTARY STUDENTS K-6

AVAILABLE LEARNING OPTIONS

1 IN-PERSON REDUCED SCHEDULE CLASSROOM OPTION

Students are assigned an in-person teacher and will receive instruction on a reduced schedule. The level of face-to-face interaction will depend on the current status of the pandemic. The system will adjust or flex to support our board objectives.

2 HOME STUDY OPTION

These options are interchangeable to accommodate potential needs of families dealing with any illness.

This is an extension of option 1. Students will keep the same in-person teacher as Option 1 and all essential learnings and course materials will be provided through Canvas. The Home Study is aligned with in-person instruction to allow students to move freely between the two.

3 ONLINE OPTION

Students may choose to enroll in eSchool full time each quarter. Students have the ability to access information, demonstrate what they've learned, and communicate with teachers online on their own time separate from the teacher.
