Grade levels Represented in Responses

- Grade 7   8
- Grade 8   11
- Grade 9   13
- Grade 10   10
- Grade 11   7
- Grade 12   25

Schools Represented in Responses

- Centennial   6
- Dixon   13
- IHS   1
- PHS   44
- THS   9

Q4. If schools are open this fall do you intend to attend?

I will likely request other accommodations for health reasons	4
Uncertain	6
no	5
Yes	58

Q7. Assuming there is no COVID19 vaccine available in the fall but schools reopen following the guidance of the health department would you prefer to participate in:

All remote Learning	8
Hybrid program	12
Partial School day	9
School every day as normal	42

Q8. If the guidance from the health department recommends it is safe for in-person instruction how comfortable would you be attending school this fall?

Comfortable with concerns		23
Comfortable with minimal concerns		34
Not at all comfortable		6
somewhat comfortable		9

Q9. What factors would help you feel more comfortable?

•Classrooms and other gathering spaces cleaned and sterilized daily	45
•Health Department and CDC regulations are being followed	35
•Maintaining social distancing protocols	22
•Mandatory symptom checks of every employee before entering school	33
•Mandatory symptom checks of every student before entering school	34
•Other	6
•Sanitizing supplies including hand sanitizer are readily available	52
•There is nothing that will make me feel comfortable	10

Q10. What other factors would help you feel more comfortable?

- Crowded halls between classes need to be dealt with.
- I'm good, I feel safe
- I would feel comfortable at school no matter the safety guidelines or lack thereof
- Required mask wearing
- People actually washing their hands

Q11. If wearing a mask is a condition for students attending school, will you attend school?

Yes	52	75.4%
No	17	24.6%
Total	69	

Q12. Would it increase your comfort level if staff were required to wear face masks?

Yes	40	57.1%
No	30	42.9%
Total	70	

Q14. We understand that many students or family members may have health concerns or compromised immune systems. Assuming there is no COVID19 vaccine available in the fall, but buildings reopen following state safety protocols, will you attend school in the building?

Yes	48	68.6%
Maybe	14	20.0%
No	8	11.4%
Other	0	0%
Total	70	

Q16. What are your primary concerns about coming back to your school?

Availability of cleaning supplies or PPE	15
Readjustment to classroom/school life	22
Child Care/Care for younger family members	3
Having in-person interactions with others	19
Possibility regulations won't be followed	33
Classrooms not properly disinfected	24
Transportation to and from school	8
My underlying health condition	9
Other	11

Q17. Other comments for primary concerns about coming back to school

- Starting school and then stopping
- Taking preventative measures too far
- I have no concerns
- I'm still good
- No concerns

Q18. If needed, will you have access to internet connectivity for your remote learning in the fall?

		Percent
Yes	66	97.1%
No	2	2.9%
Total	68	

Q19. Which of the following is most important to you in a remote learning environment?

Balance between online and off line assignments and activities	31
Material is interesting and engaging	51
New material is introduced	23
There is enough work to keep med occupied throughout the day	6
I feel supported with direct contact or ability to interact academically in virtual setting with teacher and classmates	34
I receive feedback on work either through teacher or peer review	28
Other	5

Q20. Other comments for most important for remote instruction.

- The teachers are contactable easily
- Material that will help me learn and not just keep me busy
- Online/Distance learning is not overcomplicated or overloaded with assignments
- It was super boring last year and I was on electronics for the longest time because I was given so much work. I'm ol with an hour or 2 online school but doing work online sucks

Q23. If the decision was to have remote learning during part of the 2020-21 school year, what would you need (other than internet/wifi access) in order to be successful?

- A computer
- Daily in person interaction with others
- Nothing
- Chromebook
