

COVID-19 DATA

as of September 11, 2020

Below is some of the information that is studied by the district safety committee regarding the COVID-19 pandemic in our city and in our schools. The district safety committee meets daily to review this information. The safety committee includes representatives from District administration, the school board, PEA, PESP, the Utah County Health Department, school nurses, building principals, child nutrition, custodial services, maintenance, technology, special education, and transportation. Please take a moment to review the numbers.
