

Hello Parents of eSchool Students,

Once again it's time for elections for the eSchool Community Council. Due to major changes in eSchool, we have all five parent spots open for new members. It's a two-year commitment and any parent/guardian of a full-time eSchool student may hold the position.

As a reminder, Provo School District policy on community councils states the following:

The purposes of school community councils are to involve parents or guardians of students in decision making at the school level, improve the quality of education of students, prudently expend School LAND Trust Program money, and increase public awareness of school trust lands and related land policies, management of the State School Fund, and educational excellence.

You can see last year's meeting minutes and council members on our website:

Council member duties are outlined in the policy above, but include meeting online via Zoom 6-7 times a year and voting on how School LAND Trust funds are spent. We will be holding our election online on Wednesday, October 21, 2020.

If you are interested in being on the ballot, please email Megan Dunnigan at megand@provo.edu by Tuesday, October 20, 2020. Please include your name and a *brief* statement on why you want to be on the council. We will include the statements with the voting instructions that we'll send out to parents.

Ballots and instructions will be emailed by 8:30 am on Wednesday, October 21, 2020. Voting closes at midnight that night. The elected council members will be notified on Thursday, October 22nd, and their names will be posted on the eSchool website.

Thank you for your support of Provo eSchool.
