AGENDA/Meeting Minutes

A. Welcome:

1. Bring meeting to order: Anna (chair)
2. Reminder of the rules/procedures of meeting: Anna (chair)

B. Review of 2020/2021 School Improvement Plan

1. Read through plan together
 - Discuss key points of the plan- **reviewed major points of the plan- spoke of adjustments that may need to be done. Is Lexia being used for middle school? For Dyslexic students is Lexia Powerup being used, as well as for all kids. Clint to reach out to MS admin for Lexia Powerup**
 - What is the progress towards the goals, action steps... **will be addressed during eSchool staff meeting on December 11, 2020.**
 - Revise the goals/plan for this year as eSchool has changed since the plan was adopted- **goals will be reevaluated to meet the needs of students during COVID.**
 - Ideas for the revisions/work towards new plan for 2021/2022 plan- **Megan and Clint will explore the ideas for adjusting the goals. If anyone has ideas they can forward to the council. Send a survey of parents to give a timeline for participation**

C. Digital Citizenship Discussion:

PDF Document- read

<https://site.utah.gov/slt/wp-content/uploads/sites/32/2019/09/School-Safety-and-Digital-Citizenship-Discussion-Guide-FINAL.pdf>

1. Resources for Digital Citizenship to share with parents/students

- Common Sense Media

<https://www.commonsense.org/education/digital-citizenship#digcit-program>

- Brainpop

<https://www.brainpop.com/technology/digitalcitizenship/>

- Respons-ability

<https://respons-ability.net/school-curriculum/>

2. Discussion on what resource(s) we would like to use and how as eSchool to drive this awareness campaign- **The digital citizenship information was discussed and explained by Heather to the**

council, presenting how we can make parents/students aware of what it means to practice digital citizenship.

D. **Appropriate Expenditures for eSchool Community Council-** the document was viewed and discussed and how these expenditures will be made for eSchool. Brainpop seems to be garnering interest- it is \$2950/year for the school. It does not only address digital citizenship, but other core subjects as well. A vote was taken, Clint made a motion, seconded by Heather, and all 6 members voted in the affirmative. It was passed to purchase the program and we will move forward. Everyone thinks the district filtering is adequate and internet issues are appropriately addressed.

1. Read State Document:

[School LAND Trust Program Appropriate Expenditures for the 2020-2021 School Year – Generation Genius-](#) look into this for our schools to address struggling students in science

2. Start discussion on how to expend the funds we are given/have:

E. **Action Items/Calendar Items Upcoming**

1. Bring ideas for plan and expenditures for eSchool to next meeting- BrainPop, Generation Genius, and IXL purchases; Megan will bring ideas to the next meeting for finishing the plan for last year. Anna will send out assignments for the Jan. 21, 2021 meeting.

2. Next meeting: January 21, 2021

3. Adjournment: Motion 1; Motion 2; Vote- Anna motioned for adjournment, John seconded the motion and the council voted in the affirmative to end the meeting.
