## This Month's Issue:

- eSchool Aquarium Field Trip
- RISE End-of-Year Practice Tests
- Camp Big Springs
- March Calendar Items

## eSchool Aquarium Field Trip

The eSchool Field Trip to the Loveland Living Planet Aquarium is in the process of being re-scheduled. It was scheduled in February, but due to the severe snowstorm, it has to be re-scheduled. Please stay tuned for updates on when this trip will occur. Reminder- this trip is for all eSchool students and their families. Students will be free and families may go for a discounted rate.

## RISE End-of Year Testing and Practice Tests

The state of Utah requires end-of-year testing for all students in grades 3-8. Grade 3 takes Language Arts and Mathematics tests; Grade 4 takes Language Arts, Mathematics, and Science; Grade 5 takes Language Arts, Mathematics, Science, and Writing; Grade 6 takes Language Arts, Mathematics, and Science; Grade 7 takes Language Arts, Mathematics, and Science; and Grade 8 takes Language Arts, Mathematics, Science, and Writing. These tests will begin in April and are required by the state for all students in these grade levels. As such, eSchool wanted to send a practice testing link so that your students may get a feel for what these tests are like. Please click on the link and go through the practice tests with your student(s). This will help them understand what the testing will be like in April. Please contact us with any questions you may have. Below is the link- click and follow the instructions.
