COULD YOUR STUDENT BE ELIGIBLE FOR FREE OR REDUCED-PRICE MEALS?

Over 40% of the students in our district qualify for free or reduced-price meals. Applying is free and easy at www.myschoolapps.com. Meal pay status is determined based on family income.

A new meal application must be filled out each school year. Your child's meal status carries over from the previous school year but only for the first 30 days of school, then students will automatically switch to full pay status if a new application has not been filled out.

It's easy to manage your student's meal account online at www.myschoolbucks.com. Your lunch clerk at your school can also accept cash and check payments in person. This institution is an equal opportunity provider.
