## FOUNDATION PROGRAMS

*"As a teacher, I was so grateful to have the after-school program to supplement and reinforce what was being taught in my classroom. Last year, I had a student that got little to no support at home and struggled with math and reading in the beginning of the year. He was at least one grade level behind in both subjects and I quickly referred him to the program. Throughout the year, he progressed from reading around 25 words per minute to reading 95 words per minute by the end of the year!" —PCSD Teacher*

## FOUNDATION YEARLY EVENTS

### Easter Basket Auction

Annually, local businesses partner with the Foundation and local schools to sponsor the Easter Basket Auction. Over 100 baskets and 30 live auction items are donated and auctioned to the highest bidder. The event is held at the Riverside Country Club and begins with a silent auction, followed by the live auction.

### Golf Tournament

Each year local businesses partner with the Foundation to sponsor the Links for Kids Golf Tournament. Golfers enjoy breakfast, lunch, goodie bags, door prizes and 18 holes of golf at The Timpanogos Golf Club.

### Mini Grants

Each year, the Foundation awards mini grants to a few of the many deserving district teachers. To receive the grant, teachers must submit a two-page application detailing their concept for an innovative project to use in their classroom or school to be considered. After receiving the completed application, the Provo City School District Foundation Selection Committee picks the mini-grant recipients for the year.

### Evening of Excellence

The employees of Provo City School District are the lifeblood of the district. Each year six outstanding educators (1 principal, 1 classified employee, and 4 teachers) are recognized for their excellent contributions to the education of students in Provo City School District. The educators are nominated by their peers and recognized at a formal dinner. Local businesses and individuals sponsor the event.
