Applying is free and easy at [www.myschoolapps.com](http://www.myschoolapps.com). Meal pay status is determined based on family income.

**A new meal application must be filled out each school year.** Your child's meal status carries over from the previous school year but only for the first 30 days of school, then students will automatically switch to full pay status if a new application has not been filled out.

It's easy to manage your student's meal account online at [www.myschoolbucks.com](http://www.myschoolbucks.com). Your lunch clerk at your school can also accept cash and check payments in person.
