School Closures and Boundary Changes

Definitions: Special Enrollment Program

“Special enrollment program” means a full-day academic program in which a parent opts to enroll the parent’s student and that is offered at a specifically designated school in the district, including gifted or advanced learning programs or dual language immersion programs.

Notice of Possible Closure

At least 90 days before approving the closure of a school or closure of a special enrollment program, the Board shall provide notice that it is considering closure to parents of students enrolled in the school or in the special enrollment program, to parents of students enrolled in other schools in the district which may be affected by the closure, and to the governing council and mayor of the municipality where the school is located. The Board must initiate the notice process for each school or special enrollment program under consideration for closure through a separate motion made and approved at a public meeting of the Board. The notices to parents shall be provided using the same form of communication that the Board regularly uses to communicate with parents and shall also be given by mail through the United States Postal Service at the last known address for the parents.

One of these meetings shall be designated as a public hearing. If feasible, the public hearing shall be held at the location of the school that is under consideration for closure.

Hearing on Boundary Change
